Louisville, Ky., Nov. 4.—Republican figures give Kentucky to McKintey by 5,249, while Democratic estimates give it to Bryan by 2,725.

The managing editor of "The Courter-Journal" says the State is safe for McKintey by between 1,000 and 5,600. Returns which will clinch matters are slow in coming in.

WASHINGTON FOR BRYAN.

HIS PLURALITY ESTIMATED AT OVER 10,000-THE LEGISLATURE.

Seattle, Wash., Nov. 4.-Bryan has carried Washington by 10,000 and upward, and every man on the fusion free-silver State ticket has been elected. Sullivan, Republican candidate for Governor, concedes his defeat. John Rogers is the successful candidate, wirning by about 5,000 Lewis and Jones, free-silver candidates for Congress, have been elected by large majorities, gress, have been elected by large majorities. Lewis running probably ahead of the Bryan electors. While returns come in slowly, they indicate the free-silver forces will control the next Legislature on joint ballot and name a successor to United States Senator Watson C. Squire. Olympia, Wash., Nov. 4.—Three hundred and sixty precincts out of 1.100 in the State, give McKinley 17.703. Bryan 23.461. This is about one-half of the vote of the State.

THE VERDICT OF ILLINOIS.

FOR M'KINLEY BY MORE THAN 100,000, AND NEARLY AS MUCH AGAINST ALTGELD.

Chicago, Nov. 4.-Returns from the State are coming in slowly, but bear out early estimates of a majority exceeding 100,000 for McKinley, with Tanner, for Governor, running well up. In Chicago Tanner polled 30,000 votes less than

In Chicago Tanner polled 30,000 votes less than the head of the ticket, but he ran ahead in many country districts, and it is believed will not be far behind McKinley when the returns are complete. The entire Cook County (Chicago) Republican ticket was elected.

The tidal wave, assures a Republican majority in both branches of the State Legislature, and in consequence a Republican successor to Senator Palmer, candidate for the Presidency on the Gold Democratic ticket.

The Democrats have elected three and possibly four Congressmen. Those elected are: Hinrichsen, in the XVIIth; Hunter, in the XIXth, and John Baker, in the XVIIth Caldwell (Dem.) claims his election, and in the IIId, after a close race, Belknap (Rep.) defeated Darrow (Dem.).

IOWA.

REPUBLICAN PLURALITY, 75,000-ALL THE CONGRESSMEN ELECTED.

Des Moines, Iowa, Nov. 4.—The returns from Iowa are not yet complete, but indicate that the National Republican ticket has carried the State by not less than 75,000 and possibly 80,000 plurality over the fused Democrats and Populists.

rality over the fused Democrats and Populists. Palmer and Buckner will receive not over 4,000 votes. The Sound Money Democratic Committies claims that from 40,000 to 50,000 Democratis voted for McKinley. About one-fourth of the fusion vote is east by the Populists.

The Republican State ticket, headed by Secretary of State, and including Auditor. Treasurer, Supreme Court Judge, Attorney-General and Railroad Commissioner, is elected by about the same figures as the National ticket. The fusion extended to State and Congress tickets. The Republicans have elected the entire eleven Congressmen by the following pluralities: Ist District. S. M. Clark, 4,500; Ild, George M. Curtis, 3,500; Ild, D. B. Henderson, 9,000; IVth. THE PLURALITY FOR M'KINLEY WILL PROBABLY BE CLOSE TO 2,000.

Wilmington, Del., Nov. 4.-The United Associated Presses has now sufficient figures to annumers that Delaware's electoral vote is for McKinley by from 1,500 to 1,500 plurality.

NEW-HAMPSHIRE.

THE LARGEST REPUBLICAN PLURALITIES EVER GIVEN IN THE STATE.

Concord, N. H., Nov. 4 .- All but thirteen towns and wards in New-Hampshire give McKinley 54,733; Bryan, 20,233; Palmer, 3,243; Bryan and Watson, 351; Levering, 521; Bentley, 54; Matchet, 62. McKinley's plurality, 34,500. missing places gave Cleveland 206 plurality in

The Republicans elected 280 members of the House of Representatives; the Democrats, 76, and two places voted not to elect. These pluralities are the largest ever secured by the Republicans in this State.

WEST VIRGINIA.

A REPUBLICAN PLURALITY OF 15,000 INDI-CATED BY FORTY COUNTIES OUT OF FIFTY-FOUR.

Wheeling, W. Va., Nov. 4.—Forty counties out of afty-four give McKinley 18,000 plurality, indicative of a plurality of 15,000 in the State. Dayton and Dovener, for Congress, succeed themselves by ma-

jorifles of 3,000 each.

Reports coming from all sections of the State say that Republicans have made big gains in some instances over the vote of 1894, when the State went 13,000 Republican for Congressmen. At William L. Wilson's home in Charlestown the Republicans gained 175 votes and made a gain of over 200 in the county. McKinley carried this (Ohio) county, the most populous in the State, by 1,700. All the State ticket, four Congressmen and the Legislature are carried by the Republicans.

NEVADA.

MARYLAND.

A BIGGER CYCLONE, EVEN, THAN THAT OF LAST YEAR.

Baltimore, Nov. 4.-Maryland has again been struck by a political cyclone, this one being of even greater magnitude than that of last year, when the Governorship and the State and city machinery were all wrested from the Democrats. The total vote of Baltimore city for President was as follows: McKinley, 61,954; Bryan,

40,845; Levering, 1,900; Palmer 1,318; Matchett,

467; Bentley, 57. McKinley's plurality, 21,109. The vote in the State shows a plurality for McKinley over Bryan of 30,872. This is the largest majority given for any candidate since Governor Oden Bowie was elected Governor in 1867, and is 11,000 greater than Governor Lowndes received in last year's election. Only one ward in Baltimore city and five of the twentythree counties declared for Bryan and free silver. The Eighth Ward, always a Democratic ! stronghold, gave 48 majority for Bryan. Queen Anne, Montgomery, Worcester, Wicomico and Carolina counties rolled up a total of 1,345 plurality for the Chicago nominee, against 12,361 in the remaining eighteen counties for McKin-

Not only was the State torn away from its customary moorings in the Presidential column by a majority which the most enthusiastic McKinleyite dared not hope for, but a solid Republican delegation will represent it in the Lower House of the LVth Congress—a gain of two seats. This is also a record-breaker for Republicanism in Maryland.

Maryland,
Henry Stockbridge (Rep.) was elected as additional Justice of the Supreme Bench of Haltimore City. He ran a few hundred votes behind the leader on his ticket, because of the popularity of

his Democratic opponent.

The Democratic opponent of the Councilmen by narrow margins. The Republicans elected fifteen out of twenty-two. The second branch holds over, and is composed of two Republicans and

three Democrats.

The 1st Congress District, which was thought to be sure for the Democrats, gave the Republican candidate 472 plurality. The official count will not materially change the following figures:

Ist District, Dr. Isaac S. Barber, 600 plurality. 11d District, William B. Baker, 2,000 plurality. 11Id District, Dr. William B. Booze, 6,300 plu-

rality.

1Vth District, W. W McIntire, 9,109 plurality.

Vth District, Sidney E. Mudd. 2,000 plurality.

VIth District, Captain John McDonald, 3,600 plurality

RHODE ISLAND.

THE REPUBLICANS SWEEP THE STATE WITH A PLURALITY OF 23,750.

Providence, Nov. 4 (Special).-The total vote of Rhode Island for President is as follows: McKinley, 37,490; Bryan, 13,749; Palmer, 1,203; Levering, 1,165; Matchett, 565. Plural-

ity for McKinley, 23,750. Bull (Rep.) was elected to Congress in the Ist District by a plurality of 8,820, and Capron (Rep.), in the IId District by a plurality of 8,824.

State. He received a pluranty of 1,103 in Providence.
On the other hand, McGuinness (Dem. and Cit.) was re-elected Mayor by a plurality of 9,729. The Republican candidate for Harbor Master was elected. The City Council is Republican in both branches.
The proposition for a State loan of \$250,000 was approved by 8,000 majority.

VERMONT.

LARGEST MAJORITY EVER GIVEN.

White River Junction, Nov. 4.-The election result has been reported from twenty-four additional towns to-day, making 209 out of 245 towns and cities in the State. Those thus far reporting give the following result: Republican, 45,510; Democratic, 8,965; National Democratic, 1,208; Prohibition, 605; Populist, 438. Republican plurality, 36,545; majority over all, 34,294.

The same towns and cities in 1892 gave: Re-

publican, 33.811; Democratic, 14,508; Prohibition, 1,235; scattering, 126. Republican plurality, 19,303; majority over all, 17,942. Gain in Republican vote, 34 6-10 per cent; loss in Democratic vote, nearly 40 per cent. Gain in Democratic vote, nearly 40 per cent. Gain in Republican majority over all, over 91 per cent. If this percentage of gain is maintained in the remaining towns to be heard from, the Republican majority will be 41,405 for the whole State this year, which would make the Republican majority nearly 20,000 more than in 1892, nearly 10,000 more than was ever before given in a Presidential year, and 4,500 more than the unprecedented majority given at the State election last September.

MAINE.

THE REPUBLICAN PLURALITY AN EVEN THING WITH THAT OF SEPTEMBER. Lewiston, Me., Nov. 4 .- "The Journal's" returns from 284 Maine towns give the following:

Republican, 66,152; Democratic, 26,057; National Democratic, 1,283; Prohibition, 915; Populist, 1,301. Republican plurality, 40,095.
The same towns in September gave 40,176 Republican plurality.

FLORIDA.

Jacksonville, Nov. 4.-Practically complete

Jacksonyille, Nov. 4.—Practically complete returns show that the State has gone for Bryan by about 9,000. In the 1st Congress District, S. M. Sparkman, silver Dernocrat, is relected by about 7,000 plurality. In the IId District Robert W. Davis, silver Democrat, is elected by a plurality of about 4,000.

WYOMING.

Cheyenne, Wyo. Nov. 4.—Fifty-six precincts, casting 35 per cent of the vote of Wyoming, give McKinley 2,855. Bryan 3,146: Democratic gains.

The plurality for Bryan may not exceed 500 The state ticket.

OHIO.

Columbus, Ohlo, Nov. 4 (Special).—The returns from an election were never so slow in the State as they have been from the election of yesterday. Not more than one-seventh of the vote had been heard from this morning, but Chairman Kurtz, of the Republican State Committee, communicated with the chairmen of the Cognity Republican committees, and to-night the reports are coming in rapidly. It will be two or three days, according to appearances, before the official count in the counties will be completed, but Mr. Kurtz is able to make an approximately correct estimate. He says that the State has given McKinley a plurality of 50,000, and that the Republicans elected at least sixteen Congressmen. The Democrats have elected Congressmen. The Democrats have elected Congressmen in the IVth, Vth, XIIIth and XVIIth districts, and Lents (Dem.), is probably elected in the XIIth. He has a plurality of 121 on the face of the returns, but there is a claim of an irregularity in one of the townships of Fairfield County, which may throw out its vote. If this is done, the vote in this district will be every close. In the III d) District, report and the state of the present Congress by Paul Sorg.

(Dem.), the Republicans elected Colonel Robert M. Nevin by a small majority.
Cincinnati, Nov. 4.—With two counties to hear from. McKinley's estimated plurality is 53,733.

BRYAN IN NORTH CAROLINA.

APPARENT PLURALITY OF ABOUT 10,000-A REPUBLICAN GOVERNOR.

Raleigh, N. C., Nov. 4 (Special).-Bryan has undoubtedly carried this State by not less than 10,000. His vote is far in excess of that of Watson for Governor, who is defeated by Russell, Republican, The Democarts and Populists have voted solidly for the Fusion electors. Congressman Settle, of the Vth District, is defeated by Kitchen, Democrat, by 500. The vote in the VIIIth District between Liney, Republican, and Doughton, Democrat, is very close and in doubt. The other seven districts are certainly against the Democrats. The Legislature is anti-Democratic in both houses.

(By the United Press.) Raleigh, N. C., Nov. 4.—The Republican State hairman says, at 11 o'clock to-night, upon the latest electoral return, that it will take the ount to determine as between Bryan and McKin-cy. The contest is exceedingly close.

Canton, Ohlo, Nov. 4.-Senator Quay telegraphed Major McKinley to-day that Chairman Holton, of North Carolina, claims that State for the Repub-licans by 15,600 plurality

M'KINLEY'S PLURALITY ABOUT 30,000-RE-PUBLICAN STATE TICKET AND CON-GRESSMEN ELECTED.

In compiling tables from the unofficial re turns, no count was made of the votes for Levering, the Prohibition candidate, who received less than 1,000 according to an estimate based on the returns from a number of scattering districts. That Charles M. Matchett, the Socialist-Labor candidate, received more votes than were cast for General Palmer, the candidate of the National Democracy, caused surprise among the local politicians. Mr. Mitchell made a useful member of Congress in the short term of service, and his sure and more emphatic victory over Mr. Walsh this year was well received by all friends of the sound-money cause, The closeness of the contest in the IXth Dis-trict between Timothy J. REPRESENTATION IN THE ASSEMBLY. INCREASE OF FOUR REPUBLICANS-TAMMANT'S DELEGATION REDUCED TO TWENTY-THREE.

The Republican representation in the Assembly from New-York City will be increased as a result of Tuesday's election. Of those who served in the last Legislature, Charles S. Adler, of the VIIIth District; George C. Austin, of the XXIst District; Patrick H. Murphy, of the XXVth District, and Harvey T. Andrews, of the XXXIst District, have again been elected on the Republican ticket. Some of them made excellent records in the last Legislature. Richard Van Cott takes the place of George Gregory in the Vth District and Robert Mazet the place of A. C. Wilson in the XIXth District, and Lawrence E. Brown the place of S. G. French, in the XXIXth District. There was some feeling over the failure of Mr. French to obtain a renomination.

The increase of four in the Republican representation in the Assembly from this city is due to the strong development of sound-money feeling in the upper part of the city. The districts in which there is a gain of Republican Assemblymen are all above One-hundred-and-eighthst. Richard Gilleland, who was chosen in the XXIIId Dictrict, is a successful business man, with an excellent reputation for honesty and industry, James P. Degnan and Philip W. Reinhard, Jr., in the XXXIIId and XXXIVth districts have been well-known Republican politicians, and Mr. Reinhard in his previous service in the Legislature was chairman of the com mittee which investigated the sweat-shop system and prepared measures to reform some of the abuses which had grown up. Douglas

the abuses which had grown up. Douglas Mathewson, in the XXXVth District, is a decided improvement upon A. C. Butts, the Tammany Assemblyman who has represented the Matrict previously in the Legislature.

The districts which again elect Tammany candidates will be represented in the next Legislature in many cases by those who served in the last Legislature. Few of them are men of ability or influence. There will be twenty-three Tammany representatives this year, instead of the twenty-seven who represented that organization in the last Legislature. The pluralities by which the Assemblymen were elected are:
